Total number of vehicle stops or contacts: 244

Of the total number of stops, (244), 222 could be classified as racial or ethnic minorities, which amounts to about 90% of the total number of vehicle contacts. This overall percentage is based on having identified those classes of ethnic or racial minorities within the total number of vehicle stops.

1 African American (.4%) of all traffic stops.

1 Asian (.4%) of all traffic stops.

219 Hispanics (89%) of all traffic stops.

1 Middle Eastern (.4%) of all traffic stops.

A comparative analysis based on the estimated demographic information from the 2013 U.S. Census Bureau, for the City of Lyford, Texas, shows the total population at 2,588. The statistics demonstrate that these minority contacts are below or are within reasonable amounts of the general population demographic estimates. Data research through USA City Facts indicate that the City of Lyford, TX is predominately Hispanic, 93.3% of the population, 83.3% Caucasian, 0.8% African American and 0.1% are Asian.
